

Tier 4 | Engine Oil

Doosan Infracore
Portable Power

Protect your new Tier 4 machine of today, or your machine of yesterday, with Doosan's new formulated 15W-40 engine oil

Our Tier 4 certified engine oil delivers extra high performance for the most demanding applications for both on and off-highway use within the construction, quarrying, trucking, and agricultural industries. You've made a wise investment with Doosan Portable Power compressors...now make the same wise decision when choosing your engine oil. Insist on using genuine Doosan Engine Oil to achieve peak performance from your equipment.

Premium 15W-40 Tier 4

Doosan 15W-40 Tier 4 diesel engine oil delivers the highest performance for the most severe on and off-highway applications. It's been specially formulated for extra high performance in Tier 4, low-emission engines including those with Exhaust Gas Recirculation (EGR) and Aftertreatment systems with Diesel Oxidation Catalysts (DOCs) and Diesel Particulate Filters (DPFs).

46557017 – 1 Gallon

46557016 – 5 Gallon

46557015 – 55 Gallon

Doosan 15W-40 Tier 4 Certified Engine Oil meets or exceeds the following requirements:

- API service classification CJ-4/CI-4 PLUS/CH-4, CI-4, CF/SM, SL
- API Service CF-2
- ACEA E7/E5
- Caterpillar ECF-3
- Cummins CES 20081
- Detroit Diesel Power Guard Oil Specification 93K218
- API SM specification for gasoline engines

Performance Features

- Component compatibility providing long life to critical components such as after-treatment systems
- One oil for mixed fleets: 100% backwards compatible for engines with or without emissions control devices.
- Patented additive technology helps reduce ash deposits while delivering outstanding oxidation and wear performance
- Superior low temperature pumpability offers faster oil flow and reduced engine wear
- Stay-in-grade shear stability maintains viscosity in severe, high temperatures
- Shows outstanding performance in the ability to handle soot efficiency and longer engine life
- Excellent thermal and oxidative stability to minimize sludge build-up and deposits
- Excellent protection against corrosive wear
- Outstanding protection against abrasive wear

Experience Doosan Portable Power and our industry-leading support and service. Whatever the job, we have the solution. From our comprehensive range of air compressors, lighting systems and generators to our rugged and reliable light compaction equipment, we have a solution to fit your needs. Running a successful business takes more than powerful equipment. That's why Doosan Portable Power partners with an experienced global dealer network to stand beside you every step of the way. Doosan Portable Power — more than 100 years of providing excellence.
