### Warranty Procedure

Failures occurring within the warranty period must be reported to a Doosan Infracore Portable Power authorized warranty location. Consult your local phone book, visit website [www.doosanportablepower.com](http://www.doosanportablepower.com) or call 800.633.5206 for the warranty location nearest you.

Make arrangements with that location to have the machine repaired per terms of the warranty policy. Warranty locations are authorized to travel to machines that were manufactured less running gear or machines which have two or more axles. Single-axle machines must be presented at the warranty location for warranty repairs.

Components such as non-Doosan Infracore Portable Power engines may require the engine manufacturer's representative to perform warranty repairs.

Doosan Infracore Portable Power locations can provide parts, service and warranty repairs on Mitsubishi® engines. Only an authorized Kubota® dealer can perform Kubota engine warranty repair.

### What The Warranty Covers

Failures which meet the criterion outlined below may be considered as warranty failures.

- A.** Must occur within the published warranty period for the particular product
- B.** Must be the result of a defect in materials or workmanship by the factory, and
- C.** Must not be listed under "Non-Warrantable Items" or "Vendor Components"

### Non-Warrantable Items

The following items are not considered as warrantable items:

**A.** Fuel, hydraulic and lubricating oil, grease and anti-freeze. Air, fuel, hydraulic oil and lubricating oil filter elements and replacement parts as the result of normal use or wear

**B.** Failure of attachments, accessories or modifications not manufactured or supplied by Doosan Infracore Portable Power

**C.** Failures and progressive damage resulting from the use of a part not approved by Doosan Infracore Portable Power

**D.** Failures resulting from improper application, operation, and maintenance or repair practices

**E.** Damage resulting from negligence or accidents

**F.** Towing, hauling, loading or unloading costs

**G.** Loss or damage caused by carrier

**H.** Repairs required as the result of improper handling, storage or protection

**I.** Down time or lost production costs

**J.** Any cost of a replacement or backup unit

**K.** Telephone or other communication expenses

### Vendor Components Not Warranted By Doosan Infracore Portable Power

Vendor components which are warranted direct to the user-purchaser by the manufacturer, including, but not limited to, the following items, are not warranted by Doosan Infracore Portable Power:

- Engines (other than Mitsubishi)
- Engine starters, generators/alternators, & regulators (other than Mitsubishi engines)
- Accessories selected

Failures of these components are to be directed to the representative manufacturer's local service claims. Proof of purchase may be required for warranty.
